

M.U.G. Shot

Correct the grammar mistakes in the following sentences.

- 1- Have you ever researched the history of sport. Would you believe that more than 7000 year ago ancient Egyptians liked to bowl on allies a lot like our bowling allies today.

- 2- And here are too more facts, golf ball used to be little feather pillows made of leather something like hacky sacks and the first basketball nets was made of peach baskets. The first recorded baseball game was played on June 19 1846 in Hoboken, New Jersey. Digging up trivia little-known facts like this can turn into a competitive game for you and a friend.

- 3- When I were a child I fell asleep in the car during any trip that lasted longer than an hour. I would rock myself to sleep. Time seem to stand still and the trip went faster that way.

- 4- I wouldnt recommend however doing this on Jupiter where a “day” is only about 10 hours long. If you fell asleep in a car on Jupiter. a “few hours” would actually be about half a day! Youd lose so much time that youd forget where you was headed in the first place.

- 5- The tiny bee hummingbird which measures about two inche long weigh less than a thimbleful of water. The blue whale is the largest animal that ever lived about 150 tons and 100 foot long. Compare that to an guppy one inch long!
